

## Frequently Asked Questions (FAQ)

### Become a Mentor

- How many mentees will I mentor?
  - You shall be mapped to one mentee, for a period of 4-6 months
- How will I be matched?
  - Matching criterion is based on
    - The field of work/interest
    - Any specific direction/advise/guidance sought by the mentee
    - Seniority of mentor and mentee
- How much time do I need to commit?
  - Ideally 1 session with 1 mentee in a fortnight lasting about an hour, which translates to 2 hours in a month. The mentorship program aims to complete one mentorship cycle in a period of 4-6 months
- Will there be any training session for mentors?
  - We shall be conducting an orientation session at the start of each cycle, to update both the mentors and mentees regarding the objectives of the program. We shall be holding career enhancement sessions, which shall benefit all participants of the program
- How will the feedback mechanism work?
  - We plan to have corporate style feedback mechanism, where both the mentor and mentee draw up goals and objectives to be achieved for the mentorship cycle. At the end of each session, feedback needs to be given by both mentor and mentee on effectiveness of the session, progress on goals and any other feedback
